Essentials 2026

Silikomart is more than a company; it's a true laboratory of creativity, passion and innovation. Over more than twenty years, it has evolved rapidly, becoming a global benchmark for culinary professionals while staying true to its foundational values.

Our true asset is our people: 100 team members who, day after day, bring dedication and passion to providing a unique experience for those who wish to express their creativity through the art of cooking. Our teams embody the essence of our company: a dynamic ecosystem where the creativity and enthusiasm of young talents blend with the expertise and knowledge of seasoned professionals. This constant dualism between innovation and experience drives our daily growth.

Silikomart is a dynamic, constantly evolving environment where new ideas take shape every day, ready to transform and innovate the industry. It's a place where research and development never stop, and where the future of cooking is written with every new project.
